Pentathlon

Norefjell Ski & Spa

Pentathlon

Pentathlon is an engaging team building activity, where the contestants compete within strength, agility, logic, knowledge and cooperation.

You will meet up by the posts in teams, expect high temperature and a good atmosphere. The teams will switch up on all of the posts, so that everyone is in turn at the same time. At each post there will be a cheerful instructor who starts each team, evaluates the team and give out points. All of the tasks are carried out in the beautiful area outside the hotel, which means fresh mountain air and spectacular views.

All of the participants get their own log-in to an app. In the app they get an overview of the team and where they are headed. Photos taken along the way are uploaded, and can be shown on a big screen during the award ceremony.

The winner and the best picture will be announced at the award ceremony. The award ceremony is combined with food and good drinks. This activity is perfect for about 20-100 participants.

Time: 1,5-2 hours

Price: NOK 575,- per person
